January 2009 Edition

Upcoming Events:

January 21st, 2009~ICC Chapter Meeting

Location: Public Safety Center @ the fairgrounds

Time: 4:00 pm

Instructor: Bill Bostic~ Customer Field Services Supervisor – Northwest Natural

In my presentation I would like to talk about pipe sizing and gas piping installations. Some of the items I'd like to cover include:

- Delivery pressures available from Northwest Natural.
- Northwest Natural's requirements for 2 PSI delivery pressure.
- Issues we see with the installations of the instantaneous type (tankless) water heaters.
- Installations of intermediate regulators in 2 psi piping systems.
- What Northwest Natural looks for on "Green Tags".

March 11th, 2009~ICC Chapter Meeting

Location: Public Safety Complex @ the fairgrounds

Time: 4:00 pm

Instructor: To be Announced

Presidents Corner.....

See Page 2 to read a note from the President

2008 Officers:

President:	Lou Malattia
Vice President:	Dave Johnson
Secretary:	Kent Hegsted
Treasurer:	John Weber
Past President:	Bob Jones

Code Bowl.....

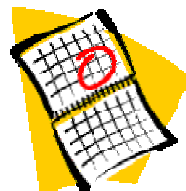

If you can't figure it out...
you can cheat and go to page 2

1. In residential construction, windows facing the property line are not permitted less than how many feet from property line?
2. What is the maximum slope of ramps permitted in residential construction?
3. What is the minimum net area of ventilation openings required in a crawl space?

Lou Malattia ~ Assistant Editor
Michelle Wall ~ Designer

ICC Meeting will be held at the Safety complex @ the Fairgrounds

Schedule for 2009

January 21

March 11 (2nd Wednesday)

May 20, 2009

July 15, 2009

Sep. 23 (4th Wednesday)

November 18

Answers to the Code Bowl.....

1. In residential construction, windows facing the property line are not permitted less than how many feet from property line? **3 feet**
2. What is the maximum slope of ramps permitted in residential construction? **1 in 12**
3. What is the minimum net area of ventilation openings required in a crawl space? **1 sf for each 300 sf of area**

A note from the President.....

I would like to thank everyone for make our Awards Banquet a success this year. We had a great turnout and everyone had a great time. I would especially like to thank all the members of our committee that work so hard in making this event possible.

Our Education Committee has had its initial meeting to discuss our agenda for this coming year. Because of the economic downturn we are looking at various ways to bring our members quality educational opportunities at reduced prices. We have guest speakers at our regular SWWICC meetings and award .1 CEU for one hour of training. Also, our Education Committee is working on ways to provide the same two day schedule of classes at our October 12th and 13th Annual Fall Education Seminar. We are working on ways to make it financial feasible to the Chapter while at the same time reducing the cost to members. Some of the jurisdictions have been looking at providing in house training as a way to reduce costs. Our Chapter would be glad to sponsor these in-house training events and issue CEU Certificates. The only requirements are that the instructor is well qualified to teach on the material covered, the material is relevant to code officials and all Chapter members are invited to attend. If you have a speaker to want to have teacher at class to the members contact Lou Malattia at 397-2375 extension 4086 or Dave Johnson 263-7664 or John Weber at 397-2375 extension 4451.

Reminder

Our regular chapter meetings will now begin at 4:00 and ending 5:30.

Please notice that March's meeting is moved to the 2nd Wednesday of the month. March 11, 2009 at the Safety Complex.

John John,

I want to tell you how much Mari and I enjoyed the boat trip. It was so nice to chat with old friends and know that most of them are doing well. We thought that the food was very good. I must say I felt a bit guilty winning the door prize as I so rarely am able to attend the meetings. You and several other members have been so much help over the years I don't know that thank you is enough. I do appreciate you so much and have valued the friendship and hope it continues for years. I wish you a very Merry Christmas and a most prosperous New Year.

Your Friend,
Dean A. Nygaard

Special thanks to:

New World Plan Review, LLC
Red Lion Inn at the Quay
NW Natural Gas

For your generous donations to our
Annual awards banquet.
