Presidents Corner

State Building Code Interpretation No. 07-09

Code: 2006 International Residential Code

Section: Appendix F

Question: When there is living space above a garage is radon mitigation required? If so do the requirements of AF103.6 apply for the garage slab?

Answer: The Council's intent was to provide requirements consistent with those found in the VIAQ, which exempts garages.

Supersedes: 07-06

Requested By: Clark County
